Beneath a sky embroidered with sunlight, UBOA Kerala invites you to Dyuthi - a vibrant tapestry woven with the threads of seven years of joy, music, and shared laughter. Join us, and paint your own masterpiece onto this dazzling canvas.

The festivities commence with the captivating 'Kottikkayatam,' a grand procession featuring officers and their families from six regions of Kerala and the Keralite officers serving beyond the state. The procession, accompanied by the rhythmic beats of Chendamelam, sets the stage for an enchanting evening.

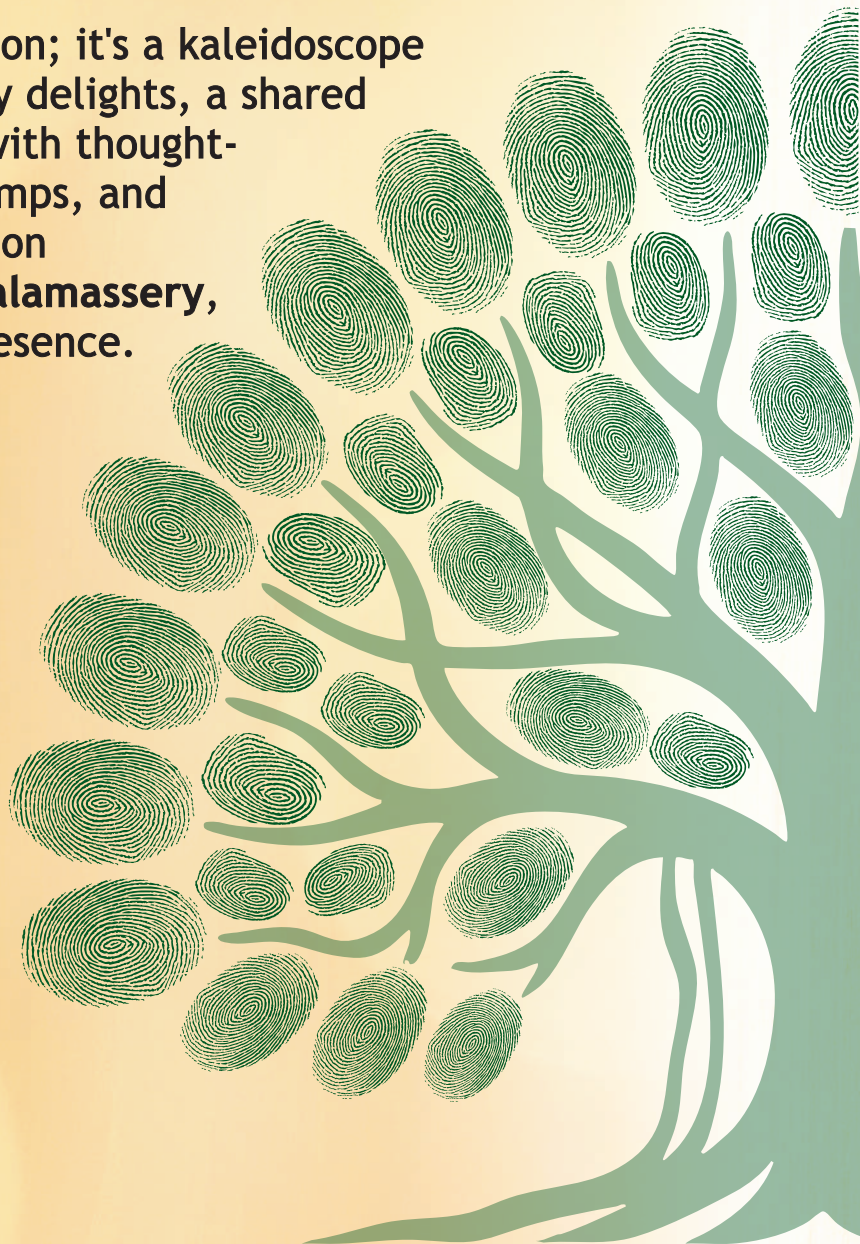

The magic continues on the main stage, where mesmerizing acts promise to leave you spellbound. Prepare to be captivated by the soulful serenade of aalmaram music band, a vibrant in every note. Let the night culminate in a DJ night that ignites the dance floor, keeping your heart thrumming until the stars themselves dim.

Dyuthi is more than a celebration; it's a kaleidoscope of laughter, music, and culinary delights, a shared symphony of moments woven with thought-provoking talks, free health camps, and laughter-filled games. Join us on **January 24th at SD Scapes, Kalamassery,** and paint the day with your presence.

Together, let's weave a memory that will echo in laughter for years to come.

We eagerly anticipate your attendance to witness and celebrate Dyuthi by Union Bank Officers Association (Kerala State)
